Jose Madrid Salsa began in 1989 with recipes handed down from Jose Madrid to his grandson, Mike "The Salsa King" Zakany. Every salsa is made from fruits, vegetables and spices, and our salsas have won national awards in two countries. We think they're more about flavor than heat. Find your level below.

Fruit Salsas

Fresh ripe fruit meets Jose's award-winning blend of tomatoes, chilies and spices, lightly sweetened with honey: just 2 g of sugar and 10 calories per 2-tbsp serving. Raspberry and Peach came first, and Raspberry has won national awards in two countries. Great over chicken, pork, fish, or a block of cream cheese.

Specialty Salsas

The flavors that make us unique. Chipotle Con Queso is a cheesy chipotle dip. Black Bean Corn Poblano and Roasted Garlic & Olives are crowd favorites. Raspberry BBQ Chipotle is our sweet-but-spicy BBQ sauce. Garden Fresh Cilantro is packed with fresh cilantro, and Jamaican Jerk was co-created with a chef from a Jamaican resort.

Verde Salsas

Made with tomatillos, the Mexican husk tomato. Verde is the Salsa King's favorite and won Best Green Salsa in the US at the 2004 Salsa Shoot Out in Fort Worth, TX. For heat seekers, Spanish Verde XX is what we lovingly call "Stupid Hot."
